

## M'CLEARY'S LAWYER DENIES EVIDENCE EXISTS OF MURDER

Young Man Held on Murder  
Charge Sleeps Well and  
Enjoys Meals.

HAGERSTOWN, Md., Sept. 1.—Norman Bruce McCleary, who was yesterday held without bail on the charge of murdering Mrs. Nannie B. Henry, ate a hearty breakfast in the Hagerstown jail today. When Sheriff Snively asked the prisoner how he felt, McCleary replied: "Fine; I never slept better in my life. Your grub is good here."

McCleary's condition, to all appearances, bears out his own statement. Wagonman & Wagonman, his attorneys, have not definitely outlined their line of defense. It has been said that insanity will probably be the plea, as the prisoner's lawyers have steadily maintained that McCleary for several days after his imprisonment here was not responsible for any statements he made. It is also reported that persons who have known McCleary since boyhood say he was peculiar. Several of his recent escapades in this city are specifically pointed out as not being the acts of a perfectly rational person.

Charles D. Wagonman, senior counsel for McCleary, commenting upon the

hearing, said it seemed that there was little testimony on the part of the State concerning the serious nature of the charge. He said there was no evidence of a murder having been committed and that no one swore to any facts as to the cause of Mrs. Henry's death.

Justice Doub, the committing magistrate, said he would like to have seen the written statement said to have been prepared by McCleary, but as his jurisdiction was limited, he could not do other than hold McCleary for court on the testimony produced.

## ELKS' HERD READY FOR ANNUAL TRIP ON THE POTOMAC

Clambake at River View Will  
Be Big Event of  
Season.

Members of Washington Lodge, No. 15, B. P. O. Elks, are looking forward with much pleasure to the big clambake they are going to have down at River View next Sunday.

Louis W. Thompson, of Jersey City, will serve the bake. In addition to being an expert in this particular kind of culinary work, Mr. Thompson is an Elk. Rhode Island soft clams will be in abundance. Each diner will be given one whole lobster, one pound of fish, one-half chicken, corn on cob, sweet and white potatoes, and a big cut of watermelon.

The steamer St. Johns has been chartered by the Elks for the occasion. It will leave the Seventh street wharf at 10:30 o'clock. Breakfast will be served on board the boat, consisting of steaks, chops, buckwheat cakes, sausage, hot rolls and coffee.

## FAMOUS CHEMISTS TO VISIT CAPITAL ON WEDNESDAY NEXT

Mrs. Taft to Give Lawn Party  
at White House for  
Distinguished Guests.

More than 600 of the world's most famous chemists will pay Washington a social visit Wednesday. Not only will almost every foreign country send a representative scientist to the National Capital on that day, but all of the great universities and institutions in the United States will be represented.

The visitors are delegates to the eighth annual congress of applied chemistry, which opens in New York next Friday, terminating on September 13, but feel that they should spend a day in Washington while this near to the Capital City.

President and Mrs. Taft, Secretary of Agriculture James Wilson, and a coterie of the most distinguished men in the United States will greet the visitors.

The President will deliver a speech of welcome. Mrs. Taft and a number of women from the Diplomatic Corps will entertain during the afternoon at a lawn party at the White House. The visitors will go to New York Thursday for the opening of the congress on Friday.

Twenty-six different countries, will spend a day in the Capital. They are delegates to the sixth international congress for testing materials, which begins a week's session in New York Tuesday. ## HER HANDS AND ARMS MADE

MARVELOUSLY BEAUTIFUL  
IN A SINGLE NIGHT

FREE PRESCRIPTION DID IT

Grace Benson says: "Had anyone told me such wonderful results could be accomplished so quickly, I positively would not have believed it. My arms and hands were covered with freckles; my neck was dark and wrinkled from the use of high collars; my hands were cracked and the knuckles red. All these defects were removed by one application of a free prescription, which I am pleased to give to anyone. It's just as simple as it is effective. Go to any drug store and get an empty two-ounce bottle and a one-ounce bottle of Kulus Compound. Pour the entire bottle of Kulus into the two-ounce bottle, add one-quarter ounce of witch hazel and fill with water. Prepare this prescription at your own home, then you know you are getting it right. Apply night and morning."

It makes the skin soft and beautiful, no matter how rough and unmanly your hands and arms are. One application will astonish you. I have given this prescription to thousands of women and they are all just as enthusiastic as I am. Try it on your neck and shoulders and you will be agreeably surprised."

## New York Herald Man To Wed Maryland Girl

Albert Whiting Fox, of the Washington bureau of the New York Herald, will tomorrow morning be married to Miss Eleanor Margery Wimsatt at St. John's Catholic Church, Forest Glen, Md. Arrangements for the wedding had been made quietly, and many of Mr. Fox's friends were surprised when they learned the license had been issued. The ceremony will be followed by a wedding breakfast and reception at Kinkora, the home of the bride's parents near Takoma Park.

## Postpone Dedication Of Episcopal Chapel

The Rev. C. W. Whitmore, vicar of the new St. Agnes Episcopal Chapel, on Q street northwest, near North Capitol street, has postponed the dedication of the chapel until next Sunday when it is hoped Bishop Harding will have returned to the city. Mr. Whitmore had planned to have the exercises today, but as the Bishop of Washington has planned to return this week from his summer residence in Maine, a postponement was believed advisable.
